**\*Prices are based on square footage of actual material used in your finished piece, including any margins or borders.**

One time per image set up fee: \$150 for paper / \$175 for canvas (includes 5 sq. ft. of color corrected prints)

Additional image manipulation - \$75.00 per hour

Image transfer to disk or thumb drive - \$10.00

**There is a 5 sq. ft. minimum for each image that requires color matching. Print ready digital files (photography and digital art) are \$18 a sq. ft. with proofs and \$15 a sq. ft without, and do not require a set-up fee or minimum 5 sq. ft. order.**

Prints can be made as large as 43.5" x 120". If your size is not shown, multiply height by width, then divide by 144 to get square footage.

A digital image can be archived as well as the approved proof, for reference, to ensure color match for future orders. We will keep the files for 5 years from the last printing.

**UV coating for canvas - \$3.00 per sq ft.**
